

Our Warranty

At **Sarokey Kitchen & Bath**, we take pride in delivering **high-quality workmanship** and a remodeling experience you can trust. While we strive for excellence in every project, we understand that unexpected issues can occur — and we stand behind our work.

That's why every project comes with a **full one-year warranty** on labor and materials, beginning the day your remodel is completed. If any craftsmanship-related issue arises within that period, we'll take care of it — guaranteed.

After the first year, you will continue to be covered by **all manufacturer warranties** associated with your cabinets, surfaces, fixtures, and materials — giving you long-term protection and peace of mind beyond our labor warranty. Our warranty is also **fully transferable between homeowners**, adding value to your property if you choose to sell. When you remodel with **Sarokey**, you're not only enhancing your space — you're investing in lasting quality and confidence.
